There is 1 late bus that picks up students at the front entrance of the High School at 3:40PM. This bus goes to the Gibbons Middle School and 3 buses are loaded.

West ~ Central ~ East

Street List names above are listed by the late afternoon bus stops. Students should tell the driver where they live upon entering the bus. It is not the intent of the late bus service to drop each student at their home. The driver will try to drop students off within a safe walking distance from their homes. Riding the late bus is a privilege afforded to students who behave appropriately at all times. Misconduct on a late bus will result in a loss of this privilege.
